

*Connecting to Care™*

**Patient Guide 3-day Open Enrollment Training**

**Training fee: \$600.00**

**Text book included & comes with IMIA CEUs.**

Patient Guides provide culturally competent patient-centered care at health care facilities. This training teaches advanced ethics, barriers to health, health equity, advanced cultural competency, and more. Patient Guides improve health outcomes while lowering costs to health care facilities.

Students are eligible for this course if they have completed CCHCP's Bridging The Gap Medical Interpreter Training or an established 40 hour medical interpreter training approved by CCHCP

AND

Have a minimum of 1 year of experience working as a medical interpreter, patient navigator, para professional in healthcare, patient advocate, or community health worker.

**Training Dates: September 18-20, 2017**

**Location: Seattle, Washington**

**Application Deadline: September 8, 2017**
